Foreword

During the last six years, we have been on a voyage, a voyage on which the ship has been our high school; on which the commanding officers have been our faculty; and on which the course has been that part of our lives that has been devoted to basic learning. The adventures of this voyage are recorded in this 1950-1951 Kaldron. As the sailor uses the Ship's Log to bring back past happenings, the staff hopes that you will use this Kaldron to bring back memories of your days at M. H. S.

Dedication

It is fitting that, in these confused and critical times, the 1951 Kaldron be dedicated to Mr. Smith who has done so much to prepare us to face the many problems that will confront us. His absence from Millcreek would leave an empty spot in our school life. For his understanding, for his patience, and for his sincerity, we have all come to respect and appreciate **our** Mr. Smith.

Alma Mater

Once again, here as schoolmates assemble,
We fain would lift our hearts in song,
To our High School, our dear Alma Mater,
Let gladness the moments prolong;
We are proud of our lad and our lasses,
Of honors won in days gone by,
So here's a cheer for our old High School,
For our old High School, Our dear "Old High!"

Here's to our Classes
Here's to our lasses,
Here's to the lads they adore;
Here's to the Seniors, so "mighty,"
Juniors so "flighty,"
"Freshies" and "Sophomore,"
Let mirth and gladness,
Banish all sadness,
And as the days go by,
We promise you'll find us ready, earnest and steady,
Boosting for "Millcreek High!"

Soon for us will the school days be ended,
The dreams of youth, that fade so fast,
But we know that the heart oft will ponder,
In mem'ry, o'er scenes that are past;
There are joys that will long be remember'd,
And friendships, too, that ne'er can die,
Then here's a cheer for our old High School,
Our dear "Old High!"

Supervising Principal and Secretary

Supervising Principal—JAMES S. WILSON

Secretary—MRS. SHIRLEY KESTLE

For the past few weeks the newspapers, radio and television have been announcing to the people the corruption that is taking place in government and sports. Men who have been respected and admired by the public have found to be ruthlessly breaking the law. The name which they bear drops from honor to disgrace.

The Class of 1951 represents the future citizens of tomorrow. The name which you bear should be held in high esteem—remember that it is your father's name. May you keep it clean and honorable, not only for your own sake but that of your family.

Congratulations and best wishes to the Class of 1951.

JAMES S. WILSON, Supervising Principal

Principal—MR. B. A. GOODRICH

Secretary—MRS. RUTH BLAIR

To the Class of 1951: Your outlook on life has a great deal to do with what your life will be—perhaps far more than you dream. You are not going to be happy in life, no matter what degree of financial success you achieve, unless you feel that your work is important—that it requires your best. Do not forget that it is the man who does the work who grows in doing and the greatest thing in life is growth. When in your process of growing, you come to the point where you do not know which way to turn—don't turn. Take a fresh grip on faith and steer straight ahead. You will find helpful this bit of advice from an unknown author. "When you are forming your opinions; Do it careful—go slow; Hasty judgments oft are followed; By regretting—that, I know; And in arguments be careful; Not to quickly to decide; Try to look upon the subject; From the other fellows side."

When people are about to embark to ports and lands unknown as you seniors are, they have two emotions in conflict. One is of reluctance, and the other of anticipation. May you leave Millcreek with reluctance because of the profitable and happy experiences you have known. May you always hold a warm spot in your heart for your Alma

Mater and for those who helped to make your school an unforgettable, living experience. Now you should realize that you are starting toward new horizons. What do they hold for you? No one can accurately predict, but certainly you are looking forward to this new adventure with great anticipation. May you find within the realm of your living happiness, success, and peace. Find your place in this wonderful democracy of ours.

Bon Voyage!

The Good

Senior Class History

1945-46 When we first entered Millcreek in the Seventh Grade, we appeared to the older students as a "huge pair of bewildered eyes, gazing up at us over a mountainous load of books." It was predicted that we were going to be the stars and scholars of our school in future years.

1946-47 As members of the Eighth Grade Class we set a fine example to the future members of the Eighth Grade by completing every task we set out to do. We realized that co-operation and hard work were the only things that would get us successfully through high school.

1947-48 Our Freshman Year—at last we were organized as a class and we were rather proud of being known as "freshies"—as this was the first direct act of recognition from the upper classmen. Our class was well represented at the school functions. We took it upon ourselves to sponsor a skating party and a class party which were both very successful. We took another step in the developing of our class by electing officers to lead us. They were: President, Rich Vommoro; Vice-President, Keith Turner; Secretary, Margaret Anderson; and Treasurer, Dick Post.

1948-49 As Sophomores, we had a busy year. Prominent in Y-Teens, Hi-Y, G. A. C., and many other clubs, our group still found time to sponsor some activities of our own. First of these was a class party on October 26. A skating party on December 16 was our second project. Class officers for the year were: President, Forrest Walters; Vice-President, Barbara Smith; Secretary, Pete Traphagen; Treasurer, Roger Gillingham.

1949-50 During our Junior year we were leaders in school activities. Proof of this was seen in the Junior Play, "Strange Borders" and the memorable Junior-Senior Prom. We completed the year by serving as ushers and usherettes for the Baccalaureate and Commencement services. Our class officers were: President, Roger Gillingham; Vice-President, Barbara Smith; Secretary, Barbara Thompson; Treasurer, Nancy Huntington.

1950-51 The Class of 1951 elected Don Jackson, President; Mary Lou Chiffon, Vice-President; Kathleen Hunter, Secretary; and Roger Gillingham, Treasurer, as their final class officers. Senior year marked the busiest year of our history. Special occasions which accented the year were the Senior Play, "Our Girls;" the operetta, "The Red Mill," a skating party, St. Pat's Dance, Senior Class Day, and most important was the day of Graduation. It was an active and enjoyable year, which increases the sorrow of parting from good old Millcreek High.

Senior Play

"I have decided to be present on Vivian's sixteenth birthday to give her her inheritance. My love to the other two girls. How thankful I am that they are not boys."

What a furor this simple message made in the Lovejoy home! The reason was apparent, for the Lovejoy's three healthy, teenage sons, Vivian, Francis and Jesse, didn't in the least resemble girls. If eccentric Aunt Jessie discovered the truth she would cut them off without a cent, and money was sorely needed.

Upon her arrival Aunt Jessie was met by three rather strange young "girls" "I don't know just what I expected, but certainly nothing like this," was her caustic comment.

It was a desperate struggle but Jessie, Francis and Vivian made a valiant effort to act like "young ladies"—Aunt Jessie, however, discovered the hoax, took action herself, and became—"Dear Aunt Jessie"—the real guy."

The cast included Charles Suerken, Roger Gillingham, Fred Amsler, Eugene Bloomwell, Eleanor Storaci, Lavonne Babcock, Doug Taylor, Claudine Carlson, Albert Eaton, Peggy Dunst, Lenore Goodrich. Lois Waldemarson was Student Director.

Kaldron Staff

This year's staff had many trying times before the book in its entirety was sent off to the printer. Writing and rewriting, arranging and rearranging, was part of a process which demanded much time and accurateness.

This year's editor was Ronald Melgaard with Pete Traphagen as assistant editor. Keith Turner and Roger Gillingham took care of the money matters. Harold Hahn, supervising the art work, spent many hours laboriously arranging the lay out and art work.

Advertising and photographing were the first beginnings, then Lenore Goodrich and her crew began making the rounds of business establishments, and the students busily began indentifying pictures. Next, the dedication of the yearbook was voted upon by the class and the engraving and printing started rolling.

Although it looked hopeless to many at the time, it gradually began to look more and more like a uniform and well arranged product.

The creators of this yearbook hope that all who may look at the 1950-1951 history of M. H. S. will derive as much pleasure as those who helped make that history.

Eighth Grade

The Senior Class of the Annex will long be remembered for their many successful events. After having a Halloween Dance and a skating party with the seventh grade, this class collected their talent to present for the entire school a most enjoyable Operetta entitled "Christmas Bazaar." Their active participation in many clubs which include Junior Y-Teens, Red Cross, Rhythm Club, and chorus have helped to make them very successful, and will help to pave the way for leadership in their future years.

Seventh Grade

With the thought of becoming Seniors, this group of students is preparing for their future years by taking an active part in many activities including Junior Y-Teens, Red Cross, Student Council, Rhythm Club and Chorus. This year the Junior cheerleaders were organized and these girls have already done a major part in making the pep rallies more original. The boys, as well as the girls, have been active at many of the football and basketball games and many are destined to become the athletes of the future.

Together with the eighth grade, this class has been able to make the Annex activities more successful.

Student Council Cooperates with the Faculty

The Student Council this year has attempted to represent the students and their views in planning and putting into operation the policies of the school. They have suggested ideas, recommended changes in existing procedure, and aided in the execution of administration and faculty plans. This student organization sponsored gubernatorial and senatorial elections, a clean-up campaign and plans for the preparation of handbooks for the members ushered at assemblies, took part in introducing some of the speakers, and lead morning devotions. These students felt their great responsibility to themselves, teachers, fellow students, and administration.

It is hoped that more of the students, will come to recognize that the organization represents them and that it is through the student council that they as individuals have an active voice in school affairs.

Students Plan Entertainment Programs

The purpose of this committee is to plan adequate assembly programs for the students, having one every two weeks.

They strive for a better quality of programs and to exchange talent with other schools. This year for the first time they had professional speakers at some of the assemblies.

Each class elects a certain number of students to represent them and these students chose David Evans to fill the office of Secretary. Mrs. Samuelson is the Faculty Chairman and she, along with Mrs. Hahn and Miss Sherrange, compose the faculty advisors of this organization.

The purpose of the club is to provide an opportunity for the girls of the school to earn a school letter. Also individuals participating develop good sportmanship and obtain a great deal of skill.

The officers for the year 1950-51 were: President—Jean Botwright, Secretary—Betty Smith, and Treasurer—Janet Pinkney.

Spanish and Latin Clubs

Ranking among the most interesting and ambitious activities, the Spanish Club has demonstrated this year, as in past years, that its students are able to do anything in a truly superb manner. This was amply demonstrated by the fact that their student assembly was grand entertainment, and the Spanish flavor was also added when they sponsored a most enjoyable dance in April.

The officers for the year 1950-51 were: President—David Evans, Vice-President—Keith Turner, and Secretary-Treasurer—Eugene Bloomwell.

Senorita Sherrange and her "alumnos" provided many happy moments and lasting memories for the entire school. Conducting all of their meetings in Spanish, these students learned a great deal of practical knowledge about Spanish customs and the Spanish language.

MILLCREEK DEBATES WITH NEIGHBORING SCHOOLS

The debate topic this year was: "Resolved, that social welfare benefits should be extended by the federal government." The team had an unusually successful year and participated in eight debates with the city and county schools.

The first four debates consisted of the regular five minutes speeches, three minute questioning periods, and the three minute rebuttals. However, the last four debates consisted of ten minute speeches, two speakers on each team, no questioning periods, and five minute rebuttals. This system added variety to the usually identical program and it was heartily welcomed by the students.

This year's officers were: Forrest Walters—President; Charles Suerken—Vice-President, and Barbara Smith—Secretary-Treasurer. Under the careful supervision and invaluable help of Miss Shanor and Miss Powell, the Debate Club completed a successful season.

Traffic and Hall Patrol

One of the most necessary and useful of all the organizations is the traffic and hall patrol. Solving overcrowded conditions is their problem and they both have worked out excellent and efficient methods of preventing congestion.

The traffic patrol is present at all the home football games, guiding and directing the parking of cars. Their worthy advisor is Mr. Smith who has greatly helped them achieve success.

Mr. Nason is the advisor of the hall patrol. The patrolers stand at crucial points in the hall to guarantee the moving of student traffic. This organization is a vital part of our school system and without it much confusion would be the result.

The Future Farmers of America is an organization for the studying and promoting of agricultural leadership, and the building of good citizens. The Millcreek Chapter of the F. F. A. is only one part of a large state organization.

These boys make up one of the most active of all groups at M. H. S. They sold Christmas trees, sponsored a successful skating party, and in March held a dance. They have been outstanding in their work and activities and we are certain that their accomplishments have helped to make it an even better organization.

COACH . . . GUS ANDERSON
CAPTAIN . . . RICH VOMMORO

Playing some of the better teams in the area, on their independent grid schedule, the Trojans found the going tough. The Trojans were shut no less than four times by the stiff opposition.

The T-Formation was introduced this year and combined with the single wing gave Millcreek a well balanced offense. The lack of experienced linemen, and injuries to Bud Sprague and Paul Davis hurt the Trojans chances for a winning year.

Highlights of the year was the hand fought Hickory game. It was the first time Millcreek had beaten Hickory.

3 Wins — 6 Losses

EAST 27 — MILLCREEK 0

Millcreek's second appearance in the Erie Stadium proved disastrous for the Trojans, as they lost to a tough band of East High Warriors. Bud Sprague, our rugged tackle, received a leg injury when he moved in on the first play of the game. The Trojans could not seem to get started in our first game of the season.

TITUSVILLE 22 — MILLCREEK 0

The rain and mud—wet, the play—rough, and after 48 minutes of play, the Trojans had lost their second straight game. Millcreek's fight and "never say die" attitude highlighted an otherwise weak Trojan attack.

CORRY 24 — MILLCREEK 6

Millcreek lost their third straight game at the hands of a crew of "eager beavers" on our home field 24-6. In the fourth quarter, with Dick Gorr and Rich Vommoro carrying the mail, the Trojans scored their first touchdown of the season. Rich capped a 70 yard drive, scoring from 3 yards out.

MILLCREEK 27 — MERCER 0

The night finally came when the cheerleaders could cheer "This game belongs to us," as the previously winless Trojans trounced the Mustangs from Mercer. Millcreek scored in the first 2 minutes of the game, twice in the third quarter, and once again in the final stanza. The touchdowns were made by Rich Vommoro, 2, Sallot, and Debold. Red Jackson made 2 of 3 placements.

MILLCREEK 20 — HICKORY 13

For the first time in Millcreek's history, the Trojans beat a Hickory team. Millcreek drew first blood as Rich Vommoro scored in the initial period. Frank Storaci passed 34 yards to Dick Gorr for the Trojans second score. But it was a determined Hickory team that

lined up for the second half kickoff. The Red and Black unleashed a passing attack which netted them 2 T D's and a tie at the end of the third quarter.

With Davis and Vommoro doing the leg work and Storaci doing the passing, Millcreek marched 88 yards and the winning touchdown. Jackson made 2 of 3 placements.

PENN HIGH 26 — MILLCREEK 0

Millcreek added a new team to their schedule; but Penn High of Greenville downed the Trojans 26-0. Greenville exhibited a varied attack in handing the Trojans their fourth loss of the year.

MILLCREEK 13 — OIL CITY 7

Millcreek won it's third game of the season by defeating the winless Oilers 13-7. Rich scored the Trojans first T D on a 15 yard pass play. Davis scored off tackle and Jackson converted to end Millcreek's scoring.

HARBORCREEK 13 — MILLCREEK 12

Millcreek played their hearts out against their county rivals but just didn't have it when the chips were down. Harborcreek drew first blood on a 90 yard kickoff return. In the third quarter, Millcreek came back to score a tying touchdown; Vommoro plunging from the 3. After an exchange of punts, a Huskie lineman scored on a blocked Trojan punt. Vommoro climaxed an 80 yard drive, highlighted by Gorr's 50 yard run, with a plunge from the 2. The conversion play backfired and that was the game.

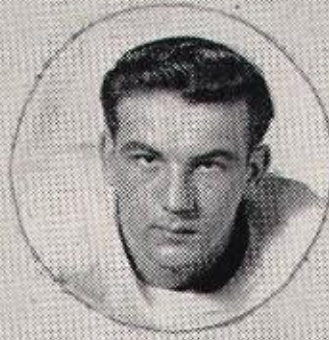

CONNEAUT 25 — MILLCREEK 0

In a steady drizzle, the Trojans from Ohio could do little wrong as they tripped Millcreek 25-0. Conneaut got off to a fast start by scoring 2 T D's in the first quarter. Millcreek, who lost their sixth game of the season, could not get their attack started.

Tribute To Our Retiring Coach

Gus Anderson, head football coach since 1929 and basketball coach from 1929 until 1947, resigned from active coaching this year. His recent illness had slowed him up considerably and his condition prompted the resignation.

In the 21 years he coached, "Gus" did more for our school and its graduates than any other man in the community. He taught the boys who played for Millcreek to be a gentleman at all times. The boy's welfare was first in his mind.

His coaching record at Millcreek is one of which any coach would be proud. His football record included 129 wins, 46 losses and 17 ties. Seven of his basketball teams won County Championships.

Although he is resigning as coach, Gus will continue teaching health and gym classes. Paul Goll will become head football coach, assisted by Dave Long.

The members of our class can not thank him enough for all his help in the six years we have been associated with him. Millcreek, without his coaching, will still win games, but everyone will agree that things will not be quite the same.

The Senior class takes this opportunity to wish a swell coach and friend the best of luck.

J. V. Football

Under the able direction of Coach Bud McCoy, assisted by John Kola, Junior Varsity Football reached an all time high at Millcreek. New uniforms were purchased and a definite schedule was arranged. After battling to a scoreless tie with Girard reserves and losing to Albion and Fairview Varsities, the little Trojans won their last two games. The J.V.'s proved their worth and certainly will be welcome additions to next years varsity.

Can you imagine a game without those girls in blue and white helping our team to capture the high score? To us here at M. H. S. it's like apple pie without cheese or a kiss without a squeeze! These girls, 5 Juniors and 1 Senior, took time out of their busy schedule to instruct students from the annex in the art of cheerleading. Those who became Junior Varsity cheerleaders were announced before Christmas vacation. Also a little before vacation, next year's captain was chosen and she, Jean Botwright, along with Mary Lou Chiffon, the very dependable captain of this year, and Gloria Suarez, attended the East-West game as Millcreek representatives. The power behind our throne of cheerleaders is Mrs. Samuelson who assists Mary Lou in the planning of our spirited pep rallies.

The 1950-51 Basketball season was one in which Millcreek faired somewhat better than previous years in city competition. As usual, Millcreek outclassed the local county teams in winning virtually every game, but the team met its match in down-state games with Meadville and Titusville.

In league play the team beat East twice and Corry once but the most notable of its victories was a resounding upset over Academy, the section leaders at the time. Millcreek led Academy throughout the first three quarters, but in the fourth, as was the usual fashion, they ran out of steam, letting Academy overcome a ten-point deficit to end the regulation time in a 36-36 tie. In the overtime period Academy got off to a fast start with three quick points, but Millcreek was not to be denied its well-dressed victory and promptly came through with eight points to win 44-40.

This season the team invoked a new tradition into its curriculum with the scheduling of a exhibition game in Hamilton, Ontario. This was the first time a local team had introduced the international effect into basketball. Our team defeated a scrappy Holy Family quintet by the score of 62-55.

Regardless of the outcome of each game, the Millcreek Trojans proved themselves worthy of title of good sportsmen and determined and spirited players.

The Millcreek Junior Varsity Basketball Team spent the 1950-51 season as a period of rebuilding. Since there were no returning lettermen, Coach Bud McCoy had to rely primarily on inexperienced players. Along with this the team ran into a great deal of hard luck. They won only three games throughout the season, thrilling victories over East, Fairview, and Harborcreek. Nevertheless, the team derived a wealth of useful knowledge concerning teamwork and co-operation. Their spirit and vitality was evident in every game, and they provided many exciting moments of fine playing.

In future years these players, with a few seasons of experience and teamwork, should provide a basketball team equaling those of the past and worthy of the title of "Millcreek Trojans."

A young woman who was having her dreams analyzed by a psychiatrist told him one day she hadn't dreamed the night before. "Young lady," snapped the medico, "I can't help you if you don't do your homework."

Irate woman driver to cop: "How *could* I have a driver's license? You people took it away from me last summer!"

"What are you doing here" a policeman asked a man pacing the sidewalk at two o'clock in the morning. "I forgot my key, officer," yawned the man, "and I'm waiting for my children to come home and let me in."

RESERVED FOR JANET:!

Hi Barbara!

First I want to wish you the best of luck

Hope we have as many classes or
some classes together next year

So you like my laugh, huh? (Did
I make a mistake?)

I'll better end it now, all I
want to say is, "loads of luck

Stay as you are always.

To "Our Barb":

Hope you had as much fun this year as I did!
I sure liked Millcreek alot for it being my first year!
Remember all the fun we had with "Our Song"? I'll
never forget the time we walked to 14th and State and
all the way back again just to see the parade! Do you
remember that we were only a half-hour late for that
Twreen? Oh, well, we got there in time to eat, anyway!
Remember that time all of us, went up to "Winter Green Forge"?
Poor Tommy! He got all wet!! That was a nice fire we
made too, wasn't it!! Remember the beautiful flowers
that we got the other time we went up there? I guess
we'll never forget "Our Theme Song", - "On Top of
Old Smokey"!!!! Remember that drink we made up
at Arnie's that night, and then poured it on the
flowers? I bet those flowers never will grow again!!!
Remember when Tommy got wise with that mop, and
hit me in the head with it? I never saw such
pretty stars in all my life!!! Remember that
trail of pretzels that we spilled all the way down the
highway? I guess I never will forget running
with that 10 lb. sack of potatoes!! Remember that
day that Arnie didn't have any shorts? Boy, we
sure fixed her up, didn't we? Remember that night
that we were all up at your house, and the boys
got mad and went home? That was sure some
wonderful fudge you made!! We had to dig it out

Loads of Luck & Best Wishes.

Love & kisses.
